# **PRESIDENTS REPORT**

Another season has come to a close!  
Is it me or did it just fly by?

Our Centre would not be as wonderful as it is without our hard working committee members, thank you to you all for your support and giving up your time!  
Organisations such as ours are not able to operate without volunteers. We are always looking for new enthusiastic people to come on board to help the Tiger Wests Little Athletics Club become better every year.

A special thank you goes to Linda Dicker and Liz Reilly for all their assistance over the years. Both of these ladies had boys compete for their last year with us at Tigers, so as a result of this, we won't be seeing them as much next season.

Thank you also to all of our fantastic parents that help each age group with age managing, starting, place judging, race recording, time keeping, without you we would not be able to operate our competitions on a Friday night!

Our numbers of registered athletes increased again this season. As a result of the numbers, our age groups are increasing in size. We had to split some groups and combine others to keep the numbers at a controllable number, some times this was not easy, but we thank you for your patience in the early weeks of the season.

It has been a few seasons since we had to say "good bye" to any of our athletes, as the 17's program was introduced 2 years ago, but sadly the time has come when we have to lose our second year 17's athletes.

On behalf of the entire Tiger Wests team, I would like to thank these athletes for their contribution to the centre, for being mentors to our younger athletes and for representing the centre at the highest level in true Tigers spirit.

I wish you all well for your future; you will all be greatly missed by so many at Tigers.

I do hope that all our Little Athletes and their parents enjoyed their season with us at Tigers. It won't be long and we will be off and running for yet another exciting season.  
So until then, remember to BE YOUR BEST!

I hope to see you all back in September,

**Karen Bland.**

## **REGISTRARS REPORT**

Last year I said it was our best year, but we seem to be growing every year with 2009/2010 club registrations hitting 158 athletes. Our largest age group was our under 10's with 24 athletes. Our smallest age group was our under 12's with 5 athletes. Hopefully we will see you all back again next year and some new registrations too. Sadly we will be saying goodbye to some of our U/17's.

# **SECRETARY REPORT**

Another season has come to an end, it feels only weeks since it began. It's been very hectic taking on the job on short notice and problems with Little Athletics NSW did nothing to relieve the pressure.

Achievements for this season include having a great time every Friday night at our ground watching kids having fun, watching parents watching their kids have fun and the large number of personal bests by athletes and successes at zone, region and state.

I have a big thank you to all of those parents who did help willingly on our Friday nights by timekeeping, recording, age managing, starting races, measuring etc. without your assistance there would be no Little Athletics.

Thank you to the other members of the committee for their support during the season. I look forward to someone else taking on the role next year, but I will still be in the wings to help.

## **Zone Multi -**

**Zone Multi was held at the Greystanes Centre this year.**

**As this is the first major carnival outside our Centre, this is also many of our athlete's first taste of competition outside our program on Friday nights.**

**A Multi carnival is where athletes compete in every event offered in their particular age group. Points are awarded according to each individual's results.**

**Tigers had some fantastic results this year at Zone Multi!**
