Presidents Report 2014/2015 Season

Tiger Wests have had another great season. We had the most athletes at state championships in the 6 or 7 years I have been involved. There have been records galore and lots of new people involved at all levels of the clubs.

I would like to congratulate our club captains, Scarlett and Jake for their involvement this year. They have been there each week even if they were not competing and were always happy to help when asked.

Our representative season was a great one this year with 48 entries in Zone Champs & 29 of those qualifying for Regionals. We had 9 athletes qualify for state and another 4 or 5 who we thought were in the running to also qualify.

Our state championships were not quite as successful as last year, but a big congratulations to Monalisa who won a bronze medal on her first visit to State. I am sure there will be more info on this in the Championships report!!

A big thanks to the committee for all the work that they have put in this year to provide a fun and competitive environment for our kids. Many of the committee members have stepped up to new roles this year as the club has had a bit of a changing of the guard from some of the previous stalwarts stepped down to allow the parents of the younger kids to take a bigger role in the club.

My final thank you is to everyone in the club as this will be my last year. The Garrett kids have decided that they would rather play other sports so I will be stepping down as president. Good luck to everyone in the coming years.

My final thoughts are towards our previous club President, Karen, who has had a tough year. It is great to see your health improving and see you on the road to a full recovery and back out running around after your kids and dogs.

Regards

Ian Garrett
