Annual Report

President's Report

It's time for the 2024 Annual General Meeting for our Tiger Wests Little Athletics Club.

Another year of hard work, cooperation and learning is behind us, and looking back we have continued to run a successful club. A lot goes on behind the scenes to make it all run and I believe that the committee and I have done an excellent job of keeping Tiger Wests running successfully each Friday night ready for competition. We constantly strove to provide a fun and supportive environment where athletes can grow, and friendships develop. I really could not get anything done without the support received from our very hard-working committee.

The club continues to have a good financial position. Our still low member numbers and again limited fund raising opportunities has fortunately not hit the bottom line, we have covered our expenses and are still have reduced uniform spending from previous surplus.

We managed to get in a lot of competition nights leading to consistent competition numbers. I anticipate our numbers will grow next season as the strong base of younger athletes draws in more and people continue to engage in community sport and activities.

The next level competitions, Zone and Region 8 Athletics carnivals showcased athletes from our part of Sydney. These events are a good window for new athletes to higher level competition and to get used to what the next level of competition requires – and most importantly have fun while learning.

10 Athletes registered for Zone competing in 32 events! This was a good number that we hope to increase as we keep our younger athletes together.

6 little athletes made it to this Region 8 Athletics Carnival, together competing in 11 events! This was an impressive conversion rate from those competing in Zone.

1 Tiger Wests Athlete made it to 2024 LANSW Youth State Championships for 2 events! This is again a solid conversion from Regional, and one we will look to keep up.

The work of the parents and athletes and helped by consistent running of competition all culminated in these great results.

The Club Committee. What a bunch of hardworking legends! It is they who worked tirelessly all season to ensure that the competition was held each Friday night. Sorting the registrations and uniforms. Scheduling the weekly events, recording of results and updating them in results HQ afterwards. Then there is the BBQ for each Friday night and the equipment that we all use.

As a result of the volunteer efforts of all these people, the club is as successful as it is, and functions as well as it does. And while all these people have done an excellent job, the club is always in search of new volunteers. This is to not only replace existing personnel but to continually reinvigorate the committee with new opinions and ideas. The committee is a welcoming group, and we will gladly help you settle into a role and be successful.

I also acknowledge the new parents who also learned what we do and increasingly helped more where possible. The parents helping and supporting the athletes meant we had a consistent turnout with most of the athletes coming back for the whole season. Being a smaller club, we rely heavily on our parents to help on Friday nights during competition. I hope they had fun and learned a little about managing age groups, officiating and training athletes. Our size allows us to spend more time teaching skills and getting to compete in more events every week. And the results speak for themselves, all the effort pays off in competitive athletes, strong relationships, and fun on Friday nights.

I encourage everybody, parents, and athletes, to promote the Club to their circle of friends and acquaintances to help this member growth.

See you at the track.

Treasurer's Report for 2022-23

We ended the year with a surplus of \$670 and a final balance of \$10,371. In round numbers, registrations were \$3,694 compared with \$4,055 last year (which included \$1,270 vouchers). We received a grant of \$2,148 which we used to purchase new high jump equipment. Overall income was up by \$1,541 and expenses were up by \$2,817.

After expenses, barbecue sales (including for a dog show!) brought in \$1,810. Uniform sales raised \$490. The only uniforms we bought were for club representatives, and they cost \$389. We have quite a stock of uniforms but will need to order more of the smaller sizes. Trophies cost \$1,009.

The Tyro card reader has continued to be very convenient at barbecues and for uniform purchases – both for families and the treasurer.

I am grateful to Bryan Pevely for reviewing the accounts.

Registrar Report

The 2023/2024 season saw our numbers remaining steady. With the Tiny Tots now being the largest age group, it hopefully sets the kids up to continue through for many years to come.

A breakdown of specific numbers per age is shown on the table below:

AGE	BO Y	GIR L	TOTA L
TOTS	9	2	11
U6	5	2	7
U7	1	3	4
U8	5	3	8
U9	4	0	4
U10	2	2	4

U11	4	4	8
U12	3	2	5
U13	1	1	2
U14	2	1	3
U15	1	1	2
U17	1	1	2
TOTA L	38	22	60

Thank you to all the parents that stepped up and helped with the weekly running of events. This allowed for a smoother running on the Friday night and enjoyment for both the athletes and parents alike.

Last AGM I mentioned it would be my last year. After a number of years and my kids moving on, I will not be nominating again this year. I have enjoyed the role and all aspects of it and look forward to passing it on to a new parent. I am happy to help whoever is lucky enough to get the role.

Enjoy the break.

Results Report

This is what the year of effort was all for, the results at the end. It is always great to see how much the new athletes have improved, and how much the existing ones keep achieving.

To reward the athletes that keep turning up and participating, we have a cut off of over 5 weeks attended to be considered for our Gold Point score awards.

Gold Point Score Awards Results 2023/2024

During the season athletes are awarded points for improving on their previous best efforts (PB's). These awards encourage athletes of all standards to strive for personal improvement throughout the season.
